With stunning views of the river and the historic Shillingford Bridge (which dates back to the 16th century), Shillingford Bridge Hotel was originally a small coaching inn serving people travelling along the Thames Path as they made their way to Oxford. Now it is a thriving hotel with a light and spacious function suite, comfortable bar and lounge areas and 41 stylish bedrooms,

Shillingford Bridge Hotel is ideal for your wedding – whatever your requirements! We can supply everything for the perfect wedding, or you can tailor-make your own with the help of our experienced events team. We are licensed for civil marriage ceremonies and civil partnerships.
